Boys and Girls in Service

Captain William J. Rawls, Jr., of Belle Glade, Fla., has arrived at Craig Air Force Base, Selma, Alabama, where he is enrolled in the Basic Pilot Instructor School for eleven weeks of intensive flying training.

Designed to train pilots as flying instructors, this school is the only one of its kind currently operated by the Air Force. Capt. Rawls is required to spend approximately 80 hours flying the Air Force T-33 jet airplane during his stay at Craig.

Upon graduation he will be assigned to an Air Training Command base to teach the techniques of flying single-engine aircraft to student pilots.

He is the son of Mr. and Mrs. William J. Rawls, Sr. of Belle Glade, Florida.

Pvt. Paul L. W. Moon, 20, son of Mrs. Lela Moon, Pahokee, Fla., departed Fort Benning, Ga., early this month for Europe under Operation Gyroscope the Army's unit rotation plan.

Moon is a member of the 3d Infantry Division which is replacing the 10th Infantry Division in Germany. He is assigned to Company D of the division's 15th Infantry.

Before entering the Army in October, 1957, Moon was a farmer.

Army PFC Rotyn A. Lightlives in Pahokee, Fla., recently born, whose wife, Albertha, arrived at Fort Benning, Ga., with the 82nd Airborne Division's 325th Infantry for summer training.

Lightlives will serve as the sergeant for Reserve Officer Training Corps cadets and will support the All-Army rifle and pistol matches at the Georgia State Fair this month. His regular assignment is as rifleman in Company C of the 325th at Fort Bragg, N. C.

The 23-year-old soldier entered the Army last May and completed basic training at Fort Jackson, S. C.

He formerly worked for the Associated Porter Service in Miami Beach.

**Applications Extended
Summer Music Camp**

The former deadline, May 15, for making application to attend Summer Music Camp, has been extended to June 5. This change was effected as the publicity on the camp has been delayed, and many prospective campers are only now aware of the program sponsored by the School of Music, Florida State University, Tallahassee.

This camp is presently the largest and the longest in the South, with an enrollment of 1,000 expected for its six programs, Summer Music Camp, Session 1A2 of Twirling Camp, and Sessions 1 & 2 of Marching Band Camp. The 1958 Summer Program will be the seventeenth sponsored by the Florida State University.

Students are registering from as far north as Chicago, west to Louisiana, and up the east coast to Virginia, and of course, from Miami to the south. Write to Summer Music Camp in Tallahassee if you wish information or application forms.

WORSHIP TOGETHER EVERY WEEK

Episcopal Bishop To Visit Churches

The Rt. Rev. H. I. Lottitt, D.D., bishop of the Episcopal diocese of South Florida, will make a formal visitation of the churches at Belle Glade and Clewiston next Sunday. He will be greeted on Saturday night by a picnic supper at the Belle Glade Municipal Park.

On Sunday morning at 9 he will administer Confirmation and preach in St. John, the Apostle church, Belle Glade. At 11 he will be the same at St. Martin's Clewiston. Father John Clarence Petrie, priest in charge of the two churches will present each class of candidates and celebrate the Mass.

Before being advanced to the episcopate Bishop Lottitt was

rector of Holy Trinity Church, West Palm Beach. Under his guidance the diocese of South Florida has had a phenomenal growth, placing it at times as first Episcopal church in rate of increase of members. His greatest achievement has been the bringing of the General Convention of the Church to Florida for next October at Miami Beach, the first time the Church has met in the South since 1925.

Father Petrie Blessed Gift Of Young People

Last Sunday, Father John Clarence Petrie blessed a set of silk embroidered Bible markers for the lectern of St. John the Apostle Episcopal Church. The material was paid for by the Young People's Service League and the sewing done by them.

For Thou, O Lord, art good, and ready to forgive; and merciful in mercy unto all that call upon Thee.—(Psalm 6, 5)

From the depths of our distress and despair, God hears and helps to every one of us who pray for His forgiveness and His help. His mercy knows no bounds, no ceasing, no distinction; over and over again He will pardon the truly repentant, and welcome him back into His all-embracing love.

—General George C. Marshall Peace is such a precious jewel that I would give anything for it but truth.

Your Health Is Our Business...

For banking, a banker, for vitamins, a pharmacist

When you want guidance in a specific field, you go to an expert. You know you'll get the right answer and, as a result, save yourself time and money.

For financial advice, you consult your banker because you appreciate the value of his experience. In medical matters, this logic is even more important. Vitamins, which are medicinal products, are being peddled door-to-door by people without professional training.

For vitamins and medicines only on your physician and pharmacist. Both are dedicated to the protection of your health.

POPPY DAY

May 25, 1958

IN FLANDERS' FIELDS

In Flanders' fields the poppies blow
Between the crosses row on row,
That mark our place in the sky
The larks still bravely singing fly.
Scarce heard amid the guns below.

We are the dead.
Short days ago we lived, fell down, saw sunset glow,
Loved and were loved and now we lie
In Flanders' fields.

Take up our quarrel with the foe,
To you from falling hands we throw
The torch, the banner, the sword,
The battle, the fight, the quarrel—
If we break faith with who die
We shall not sleep, though poppies grow
In Flanders' fields.

—John McCrae 1872-1918

Salute to FLORIDA COUNTIES

BROWARD COUNTY
County Seal, Ft. Lauderdale

Although not officially created as a county till 1915 Florida history. One of the first Seminole Indian reservations is located in the county where archaeologists have uncovered many ruins of historic value. According to Indian legends, New River, running through the center of Fort Lauderdale, sprang from the earth overnight. Today, Broward is one of the country's fastest growing counties. Named for State Governor N. B. Broward (1905-09) the county's main source of revenue is the tourist industry.

In progressive Broward County, and throughout Florida, the United States Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. The foundation's chief interest is the people of Florida, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.

NEWEST DIRECTORS elected last year to the Chamber of Commerce board of directors are (l-r) Urban Felsing, appointed to an unexpired term; Edward Schoepel, R. A. Poston, president; W. J. Norris and Robert Mathews. Other directors not shown are J. Marvin Upwin, treasurer; Russell A. Tucker, G. W. Townsend, Dr. W. T. Forsee, Jr.; Sam Knight, Ed. Landrose and Dr. Victor C. Mulberg. Seated is Mrs. Edwina C. Young, executive secretary.

Chamber of Commerce (Continued from Page One) south Florida was a direct result of the fiesta in addition to bringing pleasure to local and area residents.

Publicity The publicity committee is now engaged in putting out a four-color double fold brochure on Belle Glade which should be available in June. All pictures will be in full natural color. The committee has also erected a highway sign on US 27 west and one-half miles south of Sebring and maintains four highway signs north, east, south and west of the city.

Belle Glade when visiting the chamber office and thousands of letters go out annually in answer to inquiries. Many programs too numerous to detail find their inception at the office which constantly seeks the welfare and needs of the community.

Directories of other cities, information on Florida tourist attractions and brochures of other nature and climes can be found at the chamber.

In conclusion the chamber reports, "It is your organization, supported by men, membership and worthy of your continued support."

Canal C-18 Is Accepted By FCD

Acceptance for maintenance and operation of Canal C-18, Section 2, this week by the Central and Southern Florida Flood Control District was announced by Executive Director Bolivar F. Hyde, Jr.

Canal C-18 and its water control area are located in the north-eastern portion of West Palm Beach. The area includes the northern portion of Loxahatchee Slough and lands west of it.

The watershed is bounded on the south by Canal C-17 drainage area and on the east by the divide which separates Loxahatchee Slough from the Intracoastal Waterway.

About 106 square miles of area are served by Canal C-18, about 30 miles on the western side are within the J. W. Corbett Wildlife Management area.

Reduction of periodic flooding to duration of 10 days to two weeks is expected to further improve the deer habitat and increase the population in the park.

The section of the canal accepted this week lies west of the Sunshine State Parkway. In providing water control for the area, due consideration has been given to flood control and drainage, maintenance of adequate water levels in canals to prevent overdrainage in adjacent areas, and economical canal and structure design.

Swimming Pools Three welcome signs are maintained at the entrances to the city and signs directing traffic to the business district have been erected on 16th St. (SR 715).

Other publicity programs include signs on trucks leaving Belle Glade carrying the slogan, "Another load of fresh vegetables from Belle Glade, Fla." A 15-minute program on Belle Glade is also in circulation.

"The completion of the swimming pool we now can enjoy is almost the direct effort of the Chamber in solidifying efforts and resparking enthusiasm some four years ago resulting in the concerted push for the pool, boasts the report.

Offering clerical and research assistance, chamber workers helped boost the donations and aided in obtaining proper and useful information to guide the city in its quest for a pool.

Other Services The chamber roads committee has had tangible results in the inclusion of the SR 80 budget for the coming year the resurfacing of the SR 80 between Belle Glade and South Bay. Work is well underway on plans for a culvert and fill at Belle Glade Memorial entrance, another chamber inspired program.

A community calendar of events is kept at the chamber office to help prevent duplication of dates for community programs. The chamber also offers assistance in finding rental housing.

Promotion Hundreds of visitors learn of

Life Membership In PTA Presented To Mrs. Hemphill

The Lake Harbor PTA was organized in 1943 with Mrs. J. D. Hemphill as first president. In 1944 she was on the committee to go to the school board and ask for 50 folding chairs and for a school bus to come to Lake Harbor. She also asked for a piano and reference books.

In 1945 she served as Secretary and in 1946 she was elected president again. This is just a sample of the things she has been doing. She has served on boards of committees, attended meetings of the County Council, Study Groups, State Conventions, etc. and she has received the highest appreciation from the County Council. Although she hasn't a child in Lake Harbor School for the past several years she has never ceased doing all these things.

She served this year as program chairman. "She is the person we think of FIRST when we think of a job to do and it is with the greatest appreciation and gratitude that we give this Life Membership," the president Mrs. Arnel George, President.
